The 2012 winners of the Cunningham Cup

The Annual ballot for 2012 proved unique in that for the first time 2 associates, Sakina and Andrew produced a dead heat when the votes were cast.

Accordingly in 2012 we have dual winners of the Cunningham Cup.

In the warehouse Andrew sets an unerring standard to meeting client needs and a calm and reasoned approach to the hectic demands of daily customer dispatch. Sakina in her first full year with the company is the epitome of “Can do, Will do!” Congratulations to Both!
